Expect Big Crowd At The Calgary-Edmonton Hockey Game Friday

Arrangements have now been completed for the big hockey game to be held at the Didsbury Memorial Arena on Friday, December 15, when the Edmonton Oil Kings and the Calgary Buffalos will play an exhibition game here. The game is scheduled to start at 8:30 p.m. and reserved seat tickets may be purchased from Reiber Brothers office in Didsbury.

This hockey game will mark the official opening of the Memorial arena for the 1950-51 season, and during the game the draw for the Regina car will take place.

The big event is being sponsored jointly by the Didsbury Branch of the Canadian Legion and the Didsbury Lions Club, and you are urged to reserve your seats for this game immediately.

Bergen To Discuss Rural Telephones

A meeting to discuss a rural telephone for Bergen district will be held in the Bergen school on January 8, at 8 p.m.

The Bergen Ladies' Aid met on November 30 at the home of Mrs. E. Moiness. Due to the cold weather only six members and two visitors were present. Following the business meeting, a lovely lunch was served by the hostess. The January meeting will be at the home of Mrs. Dave Davidson.

Members of the Bergen and Red Deer Valley Home and School Association met at the Bergen school on Wednesday, December 6. The president, Mrs. Erling Erickson, conducted the business meeting. Mrs. Ratcliff read the minutes of the last meeting. A reading about the needy children of Greece was given by Mrs. Trygve Haug. The members decided to pack a box of used clothing and elected Mrs. Ross Ellis as supervisor. Donations are to be left at either school. Miss Edith Hodger gave an interesting talk on Christmas customs of other lands. Mrs. S. Clarke led the audience in carol singing while the lunch committee prepared enjoyable refreshments.

A shower was held recently at the home of Mr. and Mrs. Ed Erickson for Mr. and Mrs. Wesley Davidson. Mrs. Davidson is the former Miss Leona Hickey who moved with her parents to Three Hills after making her home here for a number of years. The happy couple will make their home at Eagle Hill where the groom has a pastorate.

WEST DIDSBURY Calf Club

The second meeting of the West Didsbury Calf Club was held at the Henry Luft farm on December 2nd, with ten members present.

After judging two classes of Hereford cattle the business meeting was held. Mr. McPhail gave an interesting talk on the Toronto Royal.

The next meeting will be held at Roy McNaughton's on December 28 at 2 p.m.

Mrs. Luft served a delicious lunch which was enjoyed by all.

Extensive Alterations To Westerdale Rink

A meeting of the Young Peoples Club was held at the hall last Monday evening when thirteen members attended. The main discussion was the skating rink, as extensive alterations were found to be necessary in the installation of the lights over the ice and in re-construction of the boards around the rink.

Work on re-building the sides took place last Thursday and Friday and it is expected that an endeavor will be made to make ice as soon as the weather permits. The annual election of officers of the Young Peoples Club was held Wednesday afternoon at the home of Mrs. F. J. Jackson with 14 members present. Roll call was answered with a Christmas decoration.

The treasurer reported that approximately \$76 was taken in at the sale and bingo on November 21. As the \$25 donation to the Winnipeg Flood Relief was neglected to be sent, it was agreed that the donation be sent to the Calgary Flood Fund.

It was reported that the Christmas food parcel had been packed and sent to England.

At the close of the business session the election of officers was held with the following being elected to office: President, Mrs. H. Jackson; Vice-President, Mrs. John Schreier; Secretary, Mrs. E. Jackson; Treasurer, Mrs. John Cowie. Auditors: Mrs. L. Jones and Mrs. B. Kershaw.

The hostess prize was won by Mrs. E. Jackson.

The ladies enjoyed pulling their gift exchange parcels out of a large container to which long strings had been attached, and a delightful lunch of sandwiches, cake and ice cream was then served.

The January 10th meeting will be held at the home of Mrs. D. Herbert.

Mr. and Mrs. J. Cowie motored to Calgary Thursday to take in their turkeys.

Bill Wigley and John Showers, both of Edmonton, called briefly Saturday afternoon at the homes of L. Jones, F. J. Jackson and J. Jackson.

Mrs. J. Bolton accompanied her mother, Mrs. B. Pross of Didsbury, on a train trip to Calgary last Friday.

A coyote hunt was held last Wednesday afternoon by the men of the district with only one coyote being shot.

Mr. J. Bolton had the misfortune to lose one of his sheep by coyotes just recently.

GREETING ISSUE DECEMBER 20

The Christmas issue of The Didsbury Pioneer will be published next week, Wednesday, December 20th, and since a great deal of extra work is involved advertisers are asked to reserve space not later than Saturday, December 16, when all advertising copy should be handed in.

Due to the usual custom, together with the excuse that the first two days of the following week are declared holidays, The Pioneer will not publish during the week between Christmas and New Year's Day.

21 Members Attend Westcott W.I. Meeting

The regular meeting of the Westcott W.I. was held at the home of Mrs. J. Luft, and opened with the singing of O' Canada, followed by the creed.

This being the last meeting for 1950 the roll call was "suggestions for the 1951 season."

There were 21 members and two visitors present and the minutes of the previous meeting were read and adopted.

The chicken supper was discussed and new ideas were recorded for the 1951 supper.

Mrs. J. Robertson announced that Mrs. McGorman would be present at the January meeting to speak on her recent trip to Denmark.

Mrs. E. Walker spoke on nutrition and gave a Food Rules to each member present.

It was decided to sponsor a miscellaneous shaver for Margaret Klunk to be held at the home of Mrs. B. Dubois on Thursday, December 14th, at 2:30 p.m.

The new 1951 program was drawn up, after which everyone gathered around the Christmas "pie," beautifully decorated by Mrs. Baudist Sr., and which was laden with gifts.

All gathered around and sang Silent Night before pulling out a gift.

A delicious lunch was served by the hostess.

The next meeting will be held at the home of Mrs. J. Robertson. Roll call is to be a dark flannellette diaper for the "Diaper for Greece" campaign.

Mrs. R. Eckel Hostess To Knox United W.M.S.

On Monday evening sixteen members of Knox United Church met at the home of Mrs. Ruth Eckel. The Christmas message was given in a beautiful candle lighting ceremony conducted by Mrs. Bruce Parker.

Officers elected for 1951 were: President, Mrs. Bruce Parker; Treasurer, Mrs. Roy McArthur; Secretary, Mrs. J. Wordie.

The next meeting will be held at the home of Mrs. Cowitz Sr.

Didsbury Wins Hockey Game From Trochu

In the first game of the South Central Alberta Hockey League at the Didsbury Memorial Arena on Saturday night, December 9, the Didsbury Ramblers chalked up a win over Trochu by a 4-2 score. The game was clean throughout and some good hockey was displayed despite lack of practice by both teams.

The Didsbury Ramblers appear to have a pretty good team this year and with a lengthy schedule of games ahead of them the brand of hockey should improve as the season advances.

Line-up of teams: Didsbury — Glenn Evans, Glen Roberts, Bill Moon, Bill Weidner, Lloyd Devine, Geo. Wilkins, Cecil Papke, Bill Fulkert, Vaughn LeGrand, Tony Morgan, Joe Kourer, Ray Miller, Mike Gebers and Jim Peterson.

Trochu — Jensen, Hill, D. Evans, H. Hansen, H. McKay, E. Corry, H. Corry, F. Dodd, Wells, LeMay, D. Hanna, E. Wik, R. Wik.

Among those spending Friday evening with Mr. and Mrs. Alfred Cowitz were Mr. and Mrs. Thompson, Mr. and Mrs. A. L. Hogg and Arnold, Mr. and Mrs. J. Bagshaw, and after a short program of carols, etc., lunch was served.

MEANEST THIEF

Closely akin to the "meanest thief" who robs poor-boxes or blind people, is the person who takes the two sheets of Christmas Seals sent by the T.B. Association, and attempts to sell them, keeping the money thus raised.

Several instances of this sort of petty thievery in the district covered by the Rotary Club Christmas Seal sale committee have been reported to W.J. Stephenson, chairman, who stressed the fact that no general canvass is conducted by the T.B. Association, and that contributions should be sent only to the Rotary Club Christmas Seal committee, Red Deer, Alberta. Receipts for income tax purposes will be sent on request.

IN MEMORIAM

WISMER—In loving memory of our Dad, who passed away December 21, 1949.
A loving dad, so true, so rare,
The trials he went through, few could bear.
He never complained, he was not that kind,
He was one of those dads so hard to find.
Loved and remembered by daughters Irene, Gladys and families.

MEANEST THIEF

Closely akin to the "meanest thief" who robs poor-boxes or blind people, is the person who takes the two sheets of Christmas Seals sent by the T.B. Association, and attempts to sell them, keeping the money thus raised.
Several instances of this sort of petty thievery in the district covered by the Rotary Club Christmas Seal sale committee have been reported to W.J. Stephenson, chairman, who stressed the fact that no general canvass is conducted by the T.B. Association, and that contributions should be sent only to the Rotary Club Christmas Seal committee. Red Deer, Alberta. Receipts for income tax purposes will be sent on request.

VOTE "FOR" THE BY-LAWS

This Friday, December 15, the proprietary electors of the Town of Didsbury will go to the polls to vote on the sale of debentures to the amount of \$39,500 to complete and extend the water system and to complete the sewer system of the Town.

There will be two separate ballots to mark at the polls which will be open at the Town Office on Friday, December 15, from 10:00 a.m. to 7:00 p.m. One is for the waterworks and the other for the sewer. Ballots are to be marked with an "X".

Don't go to the polls with the idea of voting against the by-laws. These by-laws must pass, as the work has already been completed; and the extra \$39,500 spent has made it possible for 110 more families to enjoy the modern conveniences.

Vote "For" the by-laws on Friday, December 15th.

NAME PRESS REPORTERS

Every year about this time we like to remind the various organizations of the town and district which are electing their officers for the coming year to appoint a press reporter.

Every organization whose meetings and activities are of interest to the general public should have a press secretary whose job is to see that the activities of the club or association he or she represents receive the proper publicity.

Some organizations co-operate admirably in this respect. Others expect the newspaper to have a reporter at every one of their meetings and to constantly keep in touch with their activities—a job well nigh impossible when one stops to think how many organizations there are in Didsbury and district.

Notes From The D.A.

(Hugh McPhail, Dist. Agriculturist)

EXPORT OF VACCINATED CALVES TO THE UNITED STATES

The following is a self-explanatory quotation from Circular 1950-124 received from Dr. F. Childs, Veterinary Director General:

"The United States Bureau of Animal Industry order 379, which governs the entry of Canadian livestock into the United States, has been amended regarding vaccinated calves.

Please note the date on which this amendment becomes effective is December 10, 1950.

Your attention is particularly directed to paragraph (c), Section 92-20 as amended. You will note that cattle offered for entry to the United States need not be vaccinated for Brucellosis if they are accompanied by a certificate issued or endorsed by a veterinarian of the Canadian Government showing they were officially vaccinated as calves 6 to 8 months of age, in accordance with Canadian Regulations, within 22 months of their being offered for entry to the United States. The certificate accompanying such vaccinated cattle must show the date of vaccination of each animal.

You will note that cattle eligible for entry to the United States without blood test for Brucellosis must be officially vaccinated according to Canadian Regulations. As Canadian Regulations cover only those cattle which have been vaccinated according to requirements of the Federal-Provincial Brucellosis Control program, and cattle which have been vaccinated in the United States under the Federal Brucellosis Free Listed Herd Plan, cattle vaccinated under other conditions will not be acceptable for entry to the United States without being blood tested negative to Brucellosis, unless they are classed as animals for which a blood test is not required, such as cattle for immediate slaughter, steers, or spayed heifers.

The 6 to 8 months age record for vaccination actually means that calves may be classed as "officially vaccinated" if vaccinated at six months of age, and up to but not including nine months of age."

FEATHERS FOR FEED

The use of feathers as a feed supplement for poultry is being experimented with at the western regional research laboratory of the U.S. Department of Agriculture, Albany, California.

According to the research workers, feathers are high in arginine, one of the amino acids considered essential for the feeding of poultry. In the same laboratory processed feathers are being tested as a conditioning agent in mixing organic fertilizers, in the preparation of plaster retarders and a manufacture of plastic articles.

The process consists of a cooker, drier and grinder. Feathers are cooked under pressure in saturated steam at a temperature of 287 to 307 degrees F. To obtain uniform heating, the feathers are agitated during cooking.

After cooking for 30 to 60 minutes, the steam is exhausted and the feathers transferred to drying equipment where the moisture content is reduced to eight or ten per cent. The dry, friable material is then easily ground to produce a meal or powder suitable for packaging in such containers as multiwall paper bags.

AUSTRALIAN CONTROLS REDUCE VEGETABLE OIL OUTPUT

State limitations on margarine production act as a brake on the production of vegetable oils in Australia, according to the Director-General of Agriculture. Only cotton seed and linseed are likely to be increased, as cotton seed oil is important for defence purposes, and linseed oil does not compete with the products of the dairy industry.

THE DIDSBURY PIONEER

MITCHELL-CLARKE

Of interest to their many friends was the double-ring ceremony performed by Rev. Dr. Switzer of Central United Church, Calgary, when Marjorie Elizabeth, daughter of Mr. and Mrs. E. S. Clarke of Didsbury, was united in marriage to Mr. Norman Carl Mitchell, son of Mr. and Mrs. C. W. Mitchell of Carstairs.

The bride and groom wore matching suits of skipper blue, the bride's being complemented by a corsage of American Beauty roses and grey accessories.

The bride was attended by her sister Gwen, who wore an apple green suit accented by a corsage of yellow roses and matching accessories.

The groom was attended by his brother Willard of Edmonton.

A reception for the immediate families followed in the Glenwood room of the Empress Hotel.

The happy couple are making their home at Carstairs.

DRIVERS ARE WARNED OF NIGHT TRAFFIC HAZARDS

Extreme care in night driving to avoid accidents is urged by officials of the Alberta Motor Association.

Statistics show that in relation to the number of cars on the road, there are more accidents between dusk and dawn.

Unlike animals, motorists cannot see in the dark and should not overdrive car headlights.

Even if your headlights are in good condition, there will be times when you will be unable to see clearly more than 100 feet ahead.

A car with good brakes travelling at 40 miles per hour cannot be stopped in less than 115 feet under ideal conditions. This is too late to avert a crash.

If your car is skidding, don't jam on the brake. Turn the steering wheel in the same direction as the rear of the car is skidding and step on the gas. Don't throw out your clutch. For example, if the rear end starts to skid toward the curb, immediately steer the car toward the curb.

One large insurance company, which has more claims in winter than in the height of the summer traffic, found that in every instance the chief contributing cause was "going too fast for such a road," though the driver said it was icy road conditions.

JAPAN EXPECTED TO RESUME PACIFIC SHIPPING SERVICES

Japanese ships are expected to resume shipping services in the Pacific as soon as authorization from SCAP is obtained. Jardine, Matheson and Co., Limited, of Hong Kong, has been appointed agents for the Nippon Yusen Kaisha, one of the world's largest pre-war shipping companies. The NYK still has a fleet of twelve ocean-going ships, the largest being the 11,600-ton "Okinawa Maru", which will operate on the Pan-Asian runs.

The "key men" of the SIGNALS

Because its job is communications—radio, electronics, telephony—the work of the Royal Canadian Corps of Signals is vital to the Canadian Army Active Force. Today—when the Canadian Army is growing rapidly to forestall any threat to our freedom—the Signals Corps must grow too.

Men are needed urgently to begin training immediately as Signals Corps operators: young men, quick-thinking, eager to master the skills that Signals operators must have.

The Canadian Army needs more men now. Signals must have more operators today! There's a place for you in this all-important corps. Canada needs you now! Report immediately for Active Force duty with the Royal Canadian Corps of Signals.

TO ENLIST YOU MUST:

1. Be a Canadian citizen or British subject.
2. Be between 17 and 29 years of age.
3. Be single.
4. Meet Army test requirements.
5. Volunteer for service anywhere.

CONCENTRATED MILK MAY
REDUCE PRICES

After seven years of experimental
work, a New York firm (National
Dairy Products Corporation) has
produced a concentrated milk which
is said to look and taste like ordi-
nary milk when mixed with two
parts of water. The new product is
being marketed on an experi-
mental basis in several U.S. cities.

According to the manufacturers,
the milk should eventually sell at a
lower price than ordinary milk due
to the reduced cost of transporting
containers which had the same
amount of milk—minus most of its
water.

A quart of whole milk, when re-
constituted from concentrated milk
by mixing two parts water is said
to have the same nutritive value as
one quart of conventional pasteur-
ized homogenized milk of the same
fat content and composition. When
mixed with equal parts of water it
becomes an extra rich cereal
milk. When used at full strength it
is rich, full-bodied and flavorful
in coffee or tea.

CHRISTIAN SCIENCE

The mental and spiritual defences
against atomic power are to be
expounded Sunday in Christian
Science churches. They will be dis-
cussed under the title "Is the Uni-
verse, Including Man, Evolved by
Atomic Force?" These are typical
passages from the Lesson-Sermon:
"And they came to him, and awak-
en him, saying, Master, master, we
perish. Then he arose, and rebuked
the wind and the raging of the
water: and they ceased, and there
was a calm." (Luke 8: 24). "Jesus
said: 'I know that Thou hearest me
always'; and he raised Lazarus
from the dead, stilled the tempest,
healed the sick, walked on the
water." (Science and Health with
Key to the Scriptures, by Mary
Baker Eddy, p. 134).

FEDERATION OF AGRICULTURE
TO DISCUSS COYOTE CONTROL

The Alberta Federation of Agri-
culture, opening its 10th annual
meeting in Calgary on December 13,
faced a heavy agenda.

Besides the regular items, such as
annual reports and financial state-
ments, the meeting will hear a
number of important reports on
problems and study. Some of
these are for information purposes
while others outline recommenda-
tions of the Board which will re-
quire support of the annual meet-
ing before further action is consid-
ered.

Mr. R.C. Maier, President, will re-
port on the recent Dominion-Pro-
vincial Agriculture Conference held
in Ottawa. Mr. L.E. Pharis, Alberta
Farm Representative on the Agri-
cultural Advisory Committee will
report on the functions and activi-
ties of that committee. Mrs. Winnifred
Ross, past Director of the A.F.A.,
is Federation member on the Alber-
ta Advisory Committee of the Cana-
dian Research Committee for Prac-
tical Education. She will report on
the work of this body.

The question of marketing legisla-
tion has received considerable
attention by the Federation during
the last two years. Mr. K.V. Kapler,
Poultry Director will report on the
progress in relation to this work.

Besides resolutions coming from
member bodies the Board will pre-
sent resolutions dealing with a feed
grain policy and a seed grain
policy in relation to this work.

Mr. Eugene Grand is in charge of
coyote control in the State of Mont-
ana. His address should be of par-
ticular interest to livestock men. It
is anticipated that a special meet-
ing may be held with Mr. Grand on
Wednesday evening so that those
interested can go into more detail
with regard to his work.

The three day session promises to
be most interesting and will con-
clude a busy and successful year for
the Alberta Federation of Agri-
culture.

AUSTRALIA EXPECTS TO PRO-
DUCE ALUMINUM BY 1952

Australia expects to be producing
aluminum in Tasmania by 1952,
the Minister for Supply said in the
House of Representatives recently.
The government hoped to produce
about 15,000 tons of aluminum in-
gots a year, which would be about
equal to present requirements.

MISSION MONUMENT
TO FARMER EFFORT

A 14-room brick mansion built
during the First World War is a
monument to the successful farm-
ing career of Sam Miller.

It stands on the main highway
about midway between Saskatoon
and North Battleford. Passers-by
often surmise that probably the
man who built it went broke, but
not Sam Miller.

Sam left his home in Bruce Coun-
ty, Ont., in 1903 with \$75 in his
pocket. When he reached Saskatoon
he had just about the ten dollars he
needed for a homestead filing fee.
He walked 20 miles from Saska-
toon to his homestead.

Sam built the house in 1917 for
\$16,000, at a time when lumber was
\$20 a thousand feet. Today the price
is anticipated \$100. Once the house
was finished, he had no trouble
housing his five children and half
a dozen hired men.

During the depression of the '30s,
Sam saved the day by raising live-
stock. He shipped as many as two
or three carloads a year and came
out of the depression still on top.

To each of his children, Sam gave
a half-section of land to start them
out.

"I'm not quite sure, but I think
I still have about 30 quarters left."

He admits a certain amount of
luck, as well as hard work, through
the years. He recalls the time he
bought out a neighbour's quarter-
section. The neighbor wanted \$20
an acre.

"You mean \$20 an acre with the
crop on it?" said Sam.

The two men went to a nearby
town where Sam borrowed \$250
from the bank for a down payment.
The rest was to be paid off in in-
stallments.

"Do you know why I sold you that
quarter with the crop on it?"
asked the neighbor.

"Well the Indians say there is not
going to be any crop this year."

That fall Sam threshed wheat
that yielded 35 bushels to the acre
and oats went to 100 bushels an
acre.

"I paid for the quarter the first
year," he recalled.

**DENMARK SEEKING HIGHER
BACON PRICES FROM BRITAIN**

Danish negotiators in the Anglo-
Danish bacon contract discussions
returned home on October 20 after
negotiations had been postponed
until later in the year. The Danes
had demanded an increase in price
of 7½ per cent, which the British
delegation would not accept. The
British are reported to be offered
to purchase the entire Danish bacon
output.

IN MEMORIAM

WISMER—In loving memory of A. A. Wismer, who left us so suddenly December 21, 1949.

I little knew when I woke that morning

The sorrow the day would bring. For the call was sudden, the shock severe.

To part with the one I loved so dear. And I wondered why you had to go.

Without a chance to say goodbye. There is some one who misses you sadly.

And thinks the time long since you went. There is some one who mourns you deeply.

But try to be brave and content. There is some one who weeps in silence.

And breathes a sigh of regret: For you are mine to remember.

When others are apt to forget. Ever remembered by his wife Isabel.

ORGANIZATION FOR
CIVIL DEFENCE

A small booklet, pocket size, has just been published by the Dept. of National Defence. In Ottawa, outlining the various steps to be taken in case of an emergency. The purpose of this manual is to assist provincial and municipal authorities in planning and organizing for civil defence, but it may be of great interest to all Canadian citizens as well.

Valuable lessons for the future.

are derived from recent disasters, such as Fraser Valley and Manitoba Floods; Rimouski and Cabano Fires.

Various forms of attack are described, followed by practical methods of civil defence: warning, dispersion, construction, black-out precautions, shelters, hospitalization etc., etc., all of which would be most helpful to know in case of an emergency.

"Organization For Civil Defence" is obtained from the King's Printer, Ottawa. Price \$0.10.

LITTLE ITEMS OF
LOCAL INTEREST

Miss Lorna Wiggins spent the weekend in Olds with Mr. and Mrs. Chas. Yach and daughter.

What is the rest of the winter to be like? Who can say, but the past week has been springlike and on Tuesday Charlie Brown reported that two gophers were romping around in his hay field on the farm south west of Didsbury.

Miss Doreen Dick of Calgary spent last Wednesday in town with her parents, Mr. and Mrs. Joe Dick.

The Graham School sent in collections to the Poppy Sale, amounting to \$3.50.

The Didsbury Postoffice will be closed all day on Christmas Day and New Year's Day. You are urged to get your mail in early if it is to be delivered before Christmas.

J. J. Dyck, who lives south east of town, has a grandfather clock that is well over 200 years old. The date on the time piece is 1727, and the clock was handed down from his father. Despite its vintage of 227 years the clock is still running and keeping good time. Mr. Dyck says that he recently cleaned and oiled the old clock and there appears to be no wear on the mechanism.

—Revival Services will be held at Mountain View Community Hall, December 10 to December 17. Services every evening at 8 p.m. except Saturday. Services Sunday at 10:45 a.m. and 7:15 p.m. Evangelist, Rev. E. G. Archer, Didsbury. Special music for every service. Come and bring a friend. Pastor, Rev. W. D. Annett. 6-13c

Mons. Chapter I.O.O.F. will have its monthly meeting in the Lions hall at 8 p.m. on Thursday, December 14. This will be followed by the annual Christmas party. There will be tables for card games and dancing. All members and husbands are invited to attend.

DIDSBURY HOSPITAL BIRTHS
Born at the Didsbury hospital to Mr. and Mrs. Raymond Hayne on Wednesday, December 6, a girl.
To Mr. and Mrs. Earl Buschert of Bergen on Saturday, December 9, a boy.
